# Aibort Goal: To Develop Aibort Customers into Aibort Sales

## Company Advantage

- ▶ Aibort has been qualified by SGS, strong ability to keep adequate stock of fabric and trims.
- ▶ Aibort in-house emb. workshop and professional emb. design team are able to get the custom designed job done quickly and correctly.
- ▶ Quality screen printing can be achieved with our extensive network of contacts.
- ▶ With our efficient production chain, production runs smoothly and samples for approval can be ready within 7-10 days. Deliver on time based upon customer request.
- ▶ MOQ is from 20 units per design, but based on different price lines. Generally, orders can be finished in 3-4 weeks based on fabric available.

## Operating Process

# Abort Goal: To Develop Aibort Customers into Aibort Sales

## Company profile

- ▶ Xiamen Aibort Clothing was set up in 2009, keeping quality, on time delivery, added value and fantastic service to our client .
- ▶ Aibort policy is flexible which is based on our perfect and standardized production line to make sure even small customized orders can be delivered on time and in your specifications.
- ▶ Aibort client network encompasses Australia, Brazil, Canada, Denmark, Germany, Italy, UK, Norway, Portugal, New Zealand, Switzerland and The United States.
- ▶ Aibort production operation has developed from OEM, to be custom designed and ODM to professional sports and casual garment manufacture.
- ▶ Aibort catalogue includes polos, T-shirts, jackets, hoodies, knitted suit, long and short pants, varsity jackets, basketball uniforms and ski suits.
- ▶ Looking forward your inquiry and honest cooperation.

## Company tenet

Honest business partner and friends.

## Company vision

To be professional sport and casual garment manufacturer.

## Team work

Let's achieve together.
