Hi Nico,

## Really happy with the polos

My customer was really happy with the polos. They are looking at doing them next year but doing them in long sleeve with different logos

They are doing their budget now and have asked what the cost would be for 120 and 180 long sleeve polos?

Please let me know if you have any queries.

Hi Vicky,

## Very happy with hoodies and jackets and polos

I have just unpacked the order this morning.

Very happy with it! Thank you.

At this stage the decision is to hold off on the caps and plan on hoodies and jackets for the New Year.

Very busy time of the year for us and we will evaluate our stock levels over the next couple of weeks.

I hope to have more orders for the polos in various colours and themes.

Thanks so much for all your hard work and cooperation. We really appreciate it very much!

Talk soon,

**Team**

**the factory carefully packed team, by team.**

I just wanted to echo Denis words - The true feedback here will be in the clubs response once order has been formally distributed - however we have spot checked multi teams and the order appears correct.

I also wanted to highlight the organisation of the order and the way the factory carefully packed team, by team. This saved countless hours sorting and allocating - please pass our thanks to the factory as the way the numbers are visible in packaging and the way the teams are packed and labelled is simply sensational. **This saved countless hours sorting and allocating**

**number are visible**

As for the long process in reaching this result - what can I say. Tremendous amount of time and detail has gone into this and getting it right - from Denis, to Vanessa and to all our teams - you are just simply the best this country has and this is just the start of so many great things in the future - I truly appreciate you all

I had an excellent transaction with the supplier. I originally ordered custom polo shirts with my logo embroidered. The samples were perfect so I ordered more. Every order I processed with them was extremely fast. I then decided I wanted to expand my apparel and ordered hoodies, jackets, and more polo shirts. Everyone, my customers, clients, and suppliers, love my apparel. They all ask me for their very own and several customers are asking me to connect them with my apparel supplier which I am happy to do.
